AI Consultancy & Training Services

SKILLS DEVELOPMENT PLAN

Supporting Government Contract Application

Plan Period: April 2026 - March 2027

EXECUTIVE SUMMARY

Blue Canvas Ltd is committed to delivering cutting-edge AI training and skills development services that align with UK government priorities for digital transformation and workforce upskilling. Our comprehensive approach ensures sustainable knowledge transfer and measurable competency improvements.

Key Commitments:

- **Training Delivery:** Minimum 200 hours of structured AI/automation training
- **Skills Assessment:** Before, during, and after competency evaluations
- **Knowledge Transfer:** Documented processes and ongoing support
- **Quality Assurance:** ISO 9001 aligned quality management system
- **Continuous Improvement:** Regular review and adaptation of training methods

CORE SKILLS DEVELOPMENT FRAMEWORK

Skill Domain	Learning Objectives	Delivery Method	Duration (Hours)	Assessment Method	Competency Level
FOUNDATION AI SKILLS					
AI Fundamentals	Understanding ML, NLP, automation concepts	Workshop + E-learning	16	Written Assessment	Intermediate

Skill Domain	Learning Objectives	Delivery Method	Duration (Hours)	Assessment Method	Competency Level
Prompt Engineering	Effective AI interaction and optimization	Hands-on Labs	12	Practical Demo	Advanced
AI Ethics & Governance	Responsible AI implementation	Case Study Analysis	8	Group Discussion	Intermediate
PROCESS AUTOMATION					
Workflow Analysis	Identifying automation opportunities	Process Mapping	20	Process Documentation	Advanced
Tool Implementation	Deploying automation solutions	Guided Practice	24	Working Solution	Advanced
Change Management	Managing automation transitions	Role-play Scenarios	12	Presentation	Intermediate
TECHNICAL IMPLEMENTATION					
API Integration	Connecting AI services	Coding Workshops	32	Working Integration	Expert
Data Management	Preparing data for AI systems	Data Labs	20	Data Pipeline	Advanced
Quality Assurance	Testing and validation methods	QA Frameworks	16	Test Plan	Advanced
LEADERSHIP & STRATEGY					
AI Strategy Development	Creating organisational AI roadmaps	Strategy Sessions	24	Strategy Document	Expert
Team Development	Building AI-capable teams	Leadership Workshops	16	Development Plan	Advanced

QUALITY ASSURANCE FRAMEWORK

Pre-Training Assessment:

- **Skills Gap Analysis:** Comprehensive evaluation of current capabilities
- **Learning Style Assessment:** Tailored delivery approach for each participant
- **Baseline Competency Testing:** Standardised pre-training evaluation
- **Individual Learning Plans:** Personalised development pathways

During Training Quality Controls:

- **Weekly Progress Reviews:** Regular competency checkpoints
- **Peer Assessment Activities:** Collaborative learning validation
- **Practical Application Testing:** Real-world scenario challenges
- **Continuous Feedback Loops:** Immediate course correction capability

Post-Training Validation:

- **Competency Certification:** Formal skills verification
- **90-Day Follow-up:** Application assessment in workplace
- **Knowledge Retention Testing:** Long-term learning validation
- **Performance Impact Measurement:** Quantified improvement metrics

BLUE CANVAS TRAINING COMMITMENTS

Delivery Standards:

- ✓ **Certified Trainers:** All instructors hold relevant AI/ML certifications
- ✓ **Updated Curriculum:** Content reviewed and updated quarterly
- ✓ **Hands-on Learning:** Minimum 60% practical application time
- ✓ **Small Cohorts:** Maximum 12 participants per training group
- ✓ **Multi-modal Delivery:** In-person, virtual, and hybrid options

Support Services:

- ✓ **Pre-training Consultation:** Needs analysis and customisation
- ✓ **Learning Materials:** Comprehensive documentation and resources
- ✓ **Ongoing Mentorship:** 6-month post-training support
- ✓ **Community Access:** Alumni network and knowledge sharing
- ✓ **Progress Tracking:** Digital competency management system

IMPLEMENTATION TIMELINE

Month 1-2: Foundation Phase

- Skills gap analysis and baseline assessment
- Customised curriculum development
- Learning platform setup and testing
- Trainer assignment and briefing

Month 3-6: Core Delivery Phase

- AI Fundamentals and Ethics training
- Process automation workshops
- Hands-on implementation projects
- Weekly progress assessments

Month 7-9: Advanced Applications Phase

- Technical implementation deep-dives
- Real-world project assignments
- Peer collaboration exercises
- Leadership and strategy development

Month 10-12: Consolidation & Assessment

- Final competency evaluations
- Certification and accreditation
- Knowledge transfer documentation
- Long-term support planning

MEASURABLE OUTCOMES & SUCCESS METRICS

Metric Category	Key Performance Indicator	Target	Measurement Method
Learning Completion	Training Hours Delivered	≥200 hours per cohort	Learning Management System
Competency Achievement	Skills Assessment Pass Rate	≥85%	Standardised Testing
Knowledge Application	Workplace Implementation	≥70% apply skills within 90 days	Follow-up Surveys
Performance Impact	Productivity Improvement	≥25% efficiency gain	Before/After Analysis
Satisfaction	Participant Satisfaction Score	≥4.5/5.0	End-of-Training Survey

PLAN APPROVAL

This Skills Development Plan has been prepared in accordance with government procurement guidelines and represents Blue Canvas Ltd's firm commitment to delivering high-quality AI training services.

Approved by:

Phil Patterson, Director & Lead Trainer

Blue Canvas Ltd

Date: 31 March 2026

Review Date: Quarterly (June, September, December 2026)
