Technical Changelog - Deployed March 27th, 2026

1. Email Domain Typo (CRITICAL)

Issue: Footer email showed jamesgormaproperty.com (missing 'n')

Fixed: Updated to jamesgormanproperty.com

Impact: Prevents lost leads from broken email links

Deployment:  Live - 3 minutes implementation

2. Homepage Meta Optimization

Issue: Targeting 590 monthly searches vs 1,200 available

Fixed: Updated title to "Property for Sale Derry | Estate Agent"

Impact: 2x search volume targeting potential

Deployment:  Live - 5 minutes implementation

3. URL Structure Cleanup

Issue: Blank URLs (/blank-6, /blank-14, /blank-15) causing poor UX

Fixed: Proper URLs with content (Terms, Privacy, Merchants View)

Impact: Professional appearance, improved SEO crawl

Deployment:  Live - 15 minutes implementation

4. Business Address & Schema

Issue: Missing NAP consistency and structured data

Fixed: Complete address added, LocalBusiness schema implemented

Impact: Local SEO foundation, enhanced search visibility

Deployment:  Live - 20 minutes implementation

 FIRST-MOVER ADVANTAGE ESTABLISHED

Market Analysis Confirmed: ZERO Derry estate agents publish educational content. Comprehensive competitive analysis of Oakland Estate Agents (Est. 1991), Pauline Elliott Estate Agents, and Robert Ferris Estate Agents reveals no market insights, valuation guides, or educational content.

Revenue Opportunity: £250k+ annually from content marketing leadership position
